

Test-day checklist

Tick these off and walk in calm. Always follow your booking confirmation: it's the final word on ID, arrival time and rules.

One week before

- ☐ Re-read your booking confirmation: date, time, centre address
- ☐ Check your ID is valid and the name matches your booking exactly
- ☐ Do one full timed mock test, then review mistakes only
- ☐ Plan your trip: transport, parking and travel time
- ☐ Know the score you need in each skill

The day before

- ☐ Light practice only: a few Read Aloud and dictation items
- ☐ Lay out your ID and the clothes you'll wear
- ☐ Set two alarms
- ☐ Get a normal night's sleep. No all-night cramming
- ☐ Check for any travel disruptions

✓ On the day

Before you go in

- ☐ Eat a proper meal, and go to the toilet before check-in
- ☐ Arrive early (check the time in your confirmation)
- ☐ Bring your ID. Phones and bags usually go in a locker
- ☐ Expect a photo, signature and possibly a palm-vein scan

In the test

- ☐ **PTE:** check the headset volume and microphone when asked; mic near your chin
- ☐ **Speaking:** start straight away and keep going after small mistakes
- ☐ **Writing:** check word counts and leave time to proofread
- ☐ **Notes:** use the noteboard or paper you're given

If something goes wrong

Raise your hand straight away if your headset, microphone or screen has a problem. Don't wait until the end, because problems are much harder to fix once the test is over.

After the test

Results arrive by email or in your online account. Check each skill score against what you need, then plan your next step with our free score tools.
